

2022-2023 Immunology Seminar Series

11:00 AM - 12:00 PM Assembly Ground Floor Auditorium

Contact: Candice Kuo, cak94@pitt.edu, 412-648-7050

SEPTEMBER

- 1 – Irene Salinas - University of New Mexico (Nicotra) - Assembly Auditorium
 - [“Olfactory detection of viruses shapes brain immunity and behavior”](#)
- 8 – Gretchen Diehl - Sloan Kettering Cancer Center (Hinterleitner) - Assembly Auditorium
 - [“The microbiota shapes intestinal immunity”](#)
- 15 – No Seminar
- 22 – Ruoning Wang - The Ohio State University (Gong) - On Zoom
 - “COP22: Mapping the carbon footprint and reducing the carbon emission to boost T cell immunity”
- 29 – No Seminar - Department Retreat

OCTOBER

- 6 – Jenny Ting, Ph.D. – University of North Carolina (Eberly Lecture)
- 13 – Carrie Sokol - Massachusetts General Hospital (Poholek) - Assembly Auditorium
 - “Scratching that itch: neuroimmune control of allergic immunity”
- 20 – Sally Kent - UMass Chan Medical School (Joglekar) - Assembly Auditorium
 - “Islet T Cell Infiltrate in Human Type 1 Diabetes: What Do We Know?”
- 27 – Ulf Panzer - University of Hamburg (Ascherman/Gaffen) - Assembly Auditorium
 - “T cell subsets and their signature cytokines in autoimmune kidney diseases”
 - Rheumatology Grand Rounds Levy Lecturer

NOVEMBER

- 3 – Martin Blaser - Rutgers University (Ray/Morris) - Assembly Auditorium
 - “Perturbing early-life microbiota affects metabolic and immunological development”
- 10 – Ning Jenny Jiang - University of Pennsylvania (Joglekar) - Assembly Auditorium
 - “High-throughput and High-dimensional Single T cell Profiling Enabled Systems Immunology and Immune Engineering”
- 17 – David Cooper - Massachusetts General Hospital (Nicotra) - Assembly Auditorium

- “The immunobiology and potential of pig organ transplantation”

- 24 – No Seminar - Thanksgiving Day

DECEMBER

- 1 – Louis Staudt, M.D. - National Cancer Institute (Eberly Lecture)
- 8 – Laura Su - University of Pennsylvania (Hand/Zdinak) - Assembly Auditorium
 - “Human pre-existing T cells”
- 15 – Jamie Spangler - Johns Hopkins University (Vignali) - Assembly Auditorium
- 22 – No Seminar - Winter Recess
- 29 – No Seminar - Winter Recess

JANUARY

- 5 – No Seminar - Winter Recess
- 12 – Ari Melnick - Weill Cornell Medicine (M. Shlomchik) - Assembly Auditorium
- 19 – Doreen Cantrell - University of Dundee (Morel) - On Zoom
- 26 – Amy Weinmann - University of Alabama (Poholek) - Assembly Auditorium

FEBRUARY

- 2 – Mandy Ford - Emory University (Lakkis) - Assembly Auditorium
- 9 – Susan Kaech, Ph.D. - Salk Institute for Biological Studies (Eberly Lecture)
- 16 – Meike Dittmann - NYU Langone Health (M. Kane) - Assembly Auditorium
- 23 – Ali Ellebedy - Washington University in St. Louis (Singh) - Assembly Auditorium

MARCH

- 2 – Amal Amer - The Ohio State University (Scott) - Assembly Auditorium
- 9 – No Seminar - Spring Break
- 16 – Bart Lambrecht - VIB Center for Inflammation Research (Poholek) - Assembly Auditorium
- 23 – Miriam Merad - Icahn School of Medicine at Mount Sinai (Zarour) - On Zoom
- 30 – Ram Savan - University of Washington (Gaffen) - Assembly Auditorium

APRIL

- 6 – Kole Roybal - University of California, San Francisco (Joglekar) - Assembly Auditorium
- 13 – Laurie Kilpatrick - Temple University (Scott) - Assembly Auditorium

- 20 – Weiguo Cui - Versiti Blood Research Institute (Hand) - Assembly Auditorium
- 27 – Martin Kriegel - University of Munster (Meisel) - Assembly Auditorium

MAY

- 4 – Albert Bendelac - University of Chicago (M. Shlomchik) - Assembly Auditorium
- 11 – No Seminar - AAI
- 18 – Viktor Umansky - German Cancer Research Center (Shurin) - Assembly Auditorium
- 25 – John Wherry, Ph.D. - Penn Institute for Immunology (Eberly Lecture)

JUNE

- 1 - Troy Randall - University of Alabama (M. Shlomchik) - Assembly Auditorium
- 8 - Benjamin Youngblood - St. Jude Children's Research Hospital (Thomson) - Assembly Auditorium
- 15 - Kellie Smith - Johns Hopkins Medicine (Vignali) - Assembly Auditorium
- 22 - Sergio Quezada - UCL Cancer Institute (Vignali) - Assembly Auditorium
- 29 - Richard Ramonell - University of Pittsburgh (A. Ray/Morris) - 4001 Assembly Conference

SEPTEMBER

- 14 - Fiona Powrie FRS - The Kennedy Institute of Rheumatology (Eberly Lecture)
